

Great Wall Ceramic Industries Ltd.

Our in vogue designs and advanced technological processes derive from the birthplace of ceramic tile making;

Over the years we have developed our technology and design skills at such a cutting edge rate, that we believe ourselves to offer more to the Bangladesh market than any other world class tiles manufacturer.

This is because we take great care in understanding our customers and seeking out their hidden desires.

What also separates us from others in the industry is that, we think of our work as an art-form and consider each tile we produce, to be a unique masterpiece. Our in vogue designs and advanced technological processes derive from the birthplace of ceramic tile making;
